

Thank You Nite of Lites

The Prestonwood Forest Maintenance Association Board of Directors on behalf of the entire subdivision would like to thank Russell May and Tina Lizmi for organizing and leading the effort to another successful Nite of Lites. The neighborhood felt a real sense of pride and togetherness.

The 2008 Nite of Lites committee helped instill a little friendly competition and encouraged increased participation in Christmas (Holiday) decorating. Again, a special thank you to Russell, Tina and all the dedicated volunteers who gave of their time to help continue a Prestonwood tradition.
