

2012 BLOCK CAPTAIN MEETING

Inviting All Area and Block Captains

A meeting has been scheduled for Thursday, August 23, 2012 at 7:00pm in the Prestonwood Forest Clubhouse. Please mark your calendars. We encourage every block captain to attend this meeting as we will be discussing the collection of information for the new 2013-14 directories. Lori Zech has generously volunteered her time to again spearhead this massive task of gathering, editing and coordinating our information with Champions Printing for a final directory release.

If you are an area/block captain unable to attend or unable to send your designated representative, please contact myself or Bonnie O'Neill, co-block captain coordinators, so we may convey pertinent information to you following the meeting.

Kudos to our block captains who are often the first person to welcome new Prestonwood residents to their block. They answer questions new residents may have about neighborhood activities as well as directing them to the prestonwoodforestonline.com website. Their duties also include delivering the Prestonwood Press and the Prestonwood directories along with sharing pertinent security and emergency information, as necessary. Consider this opportunity to serve your community when solicited in the future.

If you are a resident not currently receiving the monthly Prestonwood Press dispersed by a block captain, do not know who your block captain is or have any questions, please call either one of us.

Thank you to all block captains for being the link of communication that connects our diverse neighborhood and enriches our community. Your volunteer spirit is truly appreciated.

See you when we gather on August 23, 2012.

Co-Captain Block Coordinators
Bonnie O'Neill 281-469-4649
Dottie Reading 281-469-8470
