

## Visitors Guide to Nite of Lites 2012

Prestonwood Forest proudly welcomes hundreds of visitors every year to share in our neighborhood's Christmas spirit and holiday decorations. This year, our Nite of Lites event officially begins December 8th and ends on December 30th, 2012. The residents compete for prizes generously donated by our local vendors in the following categories: Best House, Best Lamp Post, Best Mailbox, Best Block, Best Cul-de-Sac and Runner-Up Block. Prestonwood Forest wants every visitor to have the best time possible but would like to remind our visitors of the following:

### \*\*Tips\*\*

1. Drive through during the week, if possible. Traffic is the heaviest during the weekend.
2. If driving through during the weekend, start at the back of the subdivision off Hargrave Road. (See map).

Please remember that our residents have spent endless hours decorating and preparing their house and yard for your enjoyment. We want you to have a great time but please, be safe, respect the residents and your fellow revelers.

Merry Christmas to all and to all a good Nite of Lites!
