

Welcome to Prestonwood Forest Online

Prestonwood Forest, in northwest Houston, is a quiet, family-oriented community filled with mature oaks and pines - and closely located to an elementary school and several Harris County parks. Prestonwood Forest homeowners take pride in their homes and in our neighborhood community. Prestonwood Forest homeowners enjoy our many neighborhood amenities and services, which include two (2) unique swimming pool facilities, two (2) tennis facilities, and our neighborhood clubhouse. In addition, Prestonwood Forest is known for its long tradition of family-focused events and organizations - where active participation of all homeowners is encouraged.

The Prestonwood Forest Online website and e-newsletter are the official media for the Prestonwood Forest community and are maintained by the Prestonwood Forest Maintenance Association. The mission of Prestonwood Forest Online is to ensure that residents of Prestonwood Forest remain well-informed about the Association's Amenities, Services and the Official Neighborhood Events. Prestonwood Forest Online also augments the Association's monthly homeowners meetings, providing an additional method of communication and a greater opportunity for residents to be heard.

Thank you for visiting and check back often. Please contact the Board of Directors if you have any questions about this website or the Prestonwood Forest community.

Prestonwood Forest was developed in the early 1970's as a premier residential community and it continues to be an excellent place to live, with stable home values, top-rated schools and community services second to none. When the neighborhood association was formed in 1971, By-Laws and Deed Restrictions were put in place to ensure the continuing integrity and stability of the subdivision; these Deed Restrictions were last amended in 1977. While all homeowners are responsible for their own property, all homeowners must also adhere to the rules governing allowable modifications and additions prior to altering their property. These rules are designed to protect and maintain the attractiveness of the subdivision and to help maintain its property values.
